COMPANY PROFILE

FPC Bazar Federation is a leading organization dedicated to empowering the agricultural sector by providing innovative solutions and seamless services. Operating across multiple domains such as agriculture, dairy projects, government initiatives, net houses, poly houses, and market linkages, we strive to bridge the gap between farmers and sustainable growth opportunities. Our goal is to uplift rural communities and ensure that the backbone of our economy, the farmers, thrive in a competitive market environment.

MISSION

To empower farmers and rural communities by providing innovative and sustainable solutions in agriculture, dairy, and rural development, ensuring economic growth and self-reliance.

VISION

To be a transformative force in rural development, fostering sustainable agricultural practices, enhancing livelihoods, and preserving traditional resources for a prosperous future.

CHAIRMAN MESSAGE

Dear Stakeholders,

It gives me immense pleasure to introduce FPC Bazar Federation, an organization committed to transforming the agricultural landscape of our nation. Agriculture is not just a profession; it is the backbone of our economy and a way of life for millions. At FPC Bazar Federation, we are driven by the belief that empowering farmers is key to building a prosperous and sustainable future.

As we look ahead, our vision is clear: to be a trusted partner in every farmer's journey towards growth and success. I invite you to join hands with us in this mission and be a part of this transformative journey. Thank you for your trust and support.

NAVEEN DHINGRA (MD)

Dear Farmers, Partners, and Stakeholders,

It is a great honor for me to address you as the Managing Director of FPC Bazaar Federation, an organization founded with a clear purpose — to uplift rural India through sustainable agriculture, innovative technologies, and economic empowerment.

Our federation is committed to advancing sectors that are the lifeline of our country: agriculture, dairy development, net house and poly house farming, market linkage solutions, and the preservation and promotion of Gausahala-based products. With a blend of traditional wisdom and modern practices, we are working to build a strong, self-reliant, and future-ready rural ecosystem.

Our vision is to create a model of development where farmers are empowered, natural resources are respected, and communities are economically and socially strengthened. Our mission is to act as a bridge between rural potential and national progress—by enabling growth, ensuring fair market access, and promoting environmentally responsible practices.

NARENDRA GAUR (DIRECTOR FINANCE)

**Rtd. Income Tax Chief
COMMISSIONER**

Dear Stakeholders and Valued Partners,

It is an honor to serve as the Director – Finance at FPC Bazaar Federation, an organization devoted to the holistic development of rural India through agriculture, dairy, and sustainable farming practices. Our financial vision is grounded in transparency, accountability, and strategic planning to support impactful projects across sectors like net house and poly house infrastructure, government-sponsored schemes, and Gausahala-based product development.

SHYAM SINGH RAJPUROHIT
(DIRECTOR ADMINISTRATION)
Rtd. IAS Officer

Dear Partners, Stakeholders, and Community Members,
It is a privilege to serve as the Administration Director of FPC Bazaar Federation, an organization that stands at the forefront of rural transformation. Our federation's commitment to excellence, transparency, and social responsibility forms the bedrock of every project we undertake—be it in agriculture, dairy development, government collaborations, or the promotion of indigenous Gausahala products.

SHREEVATS SANJAY

ARVIND DUBEY

**Retd Gen Mgr / Apt Dir Patna - Airports
Authority Of India.**

We are focused on ensuring the availability of high-quality, eco-friendly, and cost-effective inputs ranging from fertilizers, seeds, drip irrigation systems, net houses, poly houses, to organic soil enhancers and Gausahala-based products like bio-pesticides and compost. These offerings are tailored to meet the specific needs of our diverse farming communities while promoting sustainability and soil health.

ASHOK SARRANGAN

(DIRECTOR FARMING PRODUCTS)

**MANAGING DIRECTOR- TECHNICAL, RICHPLUS
BIO FERTILIZERS & FEEDS PRIVATE LIMITED**

As the Director – Farming Products at FPC Bazaar Federation, I take immense pride in leading a segment that directly contributes to the backbone of our rural economy—agriculture and farm-based innovation. Our goal is not just to offer farming products, but to deliver solutions that empower, technologies that enable, and support that sustains farmer livelihoods across the country.

RAJENDRA JI

Project Head

It is an honor to lead the project implementation efforts for an organization that is deeply rooted in rural empowerment and agricultural innovation. Our commitment extends across various sectors—agriculture, dairy development, government projects, net house and poly house solutions, market linkage, and Gaushala-based sustainable product initiatives. I sincerely invite all stakeholders to collaborate with us, contribute insights, and be part of this transformative journey. Together, we can strengthen the backbone of India—its villages and its farmers.

MRS. MITTAL SHAH

(AGRICULTURE PROJECT HEAD)

Value Chain Expert & Business Development Strategist

About Me:

As a dedicated professional with experience in agriculture and value chain development, I help FPC Bazaar members strengthen backward and forward linkages. My expertise lies in analyzing complex systems, identifying opportunities, and developing strategic partnerships to drive growth and improve livelihoods.

- Develop strategic partnerships with buyers, suppliers, and other stakeholders
- Improve the overall competitiveness of your FPC Bazaar

SOURABH SINDHI

Chief Financial Officer (CFO)

I serve as the Chief Finance Officer of FPC Bazaar Federation, an organization that is reshaping the future of rural India through innovation, sustainability, and community empowerment in agriculture and allied sectors.

Our federation is engaged in impactful areas such as agriculture, dairy development, government-supported infrastructure, net house and poly house projects, and the promotion of Gausahala-based eco-products. Behind every project and initiative lies a strong foundation of financial planning, risk management, and transparent resource allocation.

KANWAR PAL SINGH

**Rtd 30 June 2022 as

Nilesh Patel **Marketing Head**

*Dear Partners and Stakeholders,
At FPC Bazar Federation, our marketing efforts are driven by a commitment to bridge the gap between rural producers and urban markets. By leveraging innovative strategies and robust market linkages, we empower farmers and entrepreneurs to achieve greater visibility and profitability for their products.*

Manish Jain **Finance Department**

*Dear Partners and Stakeholders,
At FPC Bazar Federation, our marketing efforts are driven by a commitment to bridge the gap between rural producers and urban markets. By leveraging innovative strategies and robust market linkages, we empower farmers and entrepreneurs to achieve greater visibility and profitability for their products.*

HOW IT WORKS

Community Engagement:-

- Engaging with local farmers, self-help groups, and rural communities to identify needs.

Capacity Building:-

- Conducting training sessions and workshops to impart modern agricultural and dairy practices.

Project Implementation:-

- Developing and executing customized projects tailored to specific needs.

Sustainability Focus:-

- Ensuring projects are environmentally and economically sustainable.

Market Integration:-

- Connecting producers to buyers with streamlined supply chains for fair trade and optimal profit margins.

FPC Bazar Federation is dedicated to creating resilient rural communities by fostering innovation, sustainability, and economic growth through collaborative efforts and innovative solutions.

OUR SERVICE

Agricultural Development:

- a. Modern farming techniques.
- b. Net house and poly house setup and management.
- c. Training programs for farmers to adopt sustainable practices.

Dairy Projects:

- a. Comprehensive support for dairy farming.
- b. Enhancing productivity with advanced techniques.

Government Projects:

- a. Collaboration with government schemes for rural upliftment.
- b. Execution of projects for community and agricultural development.

Market Linkage:

- a. Establishing robust supply chains for direct farmer-to-market connections.
- b. Ensuring better pricing and reducing dependency on intermediaries.

Goshala and Gausahala Products:

- a. Promotion of eco-friendly products derived from indigenous cattle resources.
- b. Support for cow welfare and the preservation of native breeds.

Projects of FPC BAZZAR FEDERATION

FPC BAZZAR FEDERATION is committed to working for various sections of society through the following projects :

- **Support to Gaushalas:** Providing assistance to Gaushalas (cow shelters) and ensuring proper care and management.
- **Tribal Upliftment & Entrepreneurship:** Creating livelihood and entrepreneurship opportunities for tribal and indigenous communities.
- **Poison-Free & Organic Farming:** Promoting poison-free, organic, and natural farming practices, along with marketing support for such produce.
- **Plantation & Bamboo Projects on Barren Land:** Contributing to environmental conservation and livelihood generation through plantation and bamboo projects on barren and degraded lands.
- **Cow Dung-Based Products:** Manufacturing eco-friendly products from cow dung and providing market linkages for their promotion and sale.

Projects of FPC BAZZAR FEDERATION

- **Gaushala Self-Reliance Projects:** Designing commercial projects to make Gaushalas self-reliant, supported through CSR funding initiatives.
- **Training in Milk Production:** Training dairy farmers in advanced milk production techniques and connecting them with modern technologies.
- **Making FPOs Self-Sustainable:** Strengthening Farmer Producer Organizations (FPOs) across the country by providing them with business linkages and capacity-building support.
- **Promotion of Agricultural Innovations:** Spreading awareness about new agricultural technologies and creating employment opportunities for rural youth.
- **Construction of Kisan Ghar Supermarkets:** Establishing "Kisan Ghar Supermarkets" in agricultural mandis (markets) across all Indian states for the benefit of farmers.
